

Journal #10b: The Challenges of the New Nation (1784)

Task: Imagine that you are a journalist for the London Times. You have been asked by your Editor to write an article in which you predict the fate of the United States of America following their victory and signing of the Treaty of Paris (1783). Key to that article is your view about the Economic, Political, and Social issues facing the new American nation. Before you write your article, your editor wants to see your notes.

Create a SWOT analysis chart that represents your view of the Strengths, Weaknesses, Opportunities, and Threats facing the United States in 1784
