

Journal #13: Historygram: The Nation on Fire

Prompt:

The year is 1811. The nation is on the brink of war with Great Britain. Tensions still exist with Napoleonic France, but Great Britain is the most immediate threat.

- You are member of the House of Representatives from Eastern Virginia
- You are a wealthy landowner that has recently invested in new lands in the Ohio Territory
- Write a caption to the picture below in which you call for a declaration of War against Great Britain (10 sentences with 5 Vocabulary Terms)
